## President's Corner with Jami Eckel

Dear Denver Chapter,

Welcome to the National Contract Management Association (NCMA) 2018-2019 program year! I am excited to welcome everyone back after their summer break and kickoff the year with an update from World Congress in Cleveland. Denver was extremely well represented with attendance by Sara Brown and Steve Sarris who are both on the National Board of Directors, as well as many other local members from Ball Aerospace, AGEISS Inc, Esri, and others.

We also had several rock star Denver Chapter members selected to present breakout sessions. Matt Jeffrey, Angie Nelson, and Brie Staker all had well attended sessions which we hope to present locally during our program year.

As we get the year started, I want to remind everyone of the event we are hosting with Piliero Mazza on September 12th. This is our first co-hosted event with them and we can't wait to make it a success. I look forward to being your President this year and seeing what new topics we can bring to the chapter.

Best,

Jami
